Dear Ms. Dortch:

This is to inform you that on October 27, 2010, the undersigned representing USTelecom, met with Zac Katz, Legal Advisor to Chairman Genachowski, and Rebekah Goodheart, of the Wireline Competition Bureau, in connection with the proceedings identified above. During this meeting, USTelecom discussed inter-carrier compensation issues pending before the Commission, specifically including phantom traffic, traffic pumping and the termination of IP-originated traffic. USTelecom reviewed the long procedural history of these issues before the Commission and discussed previously-filed proposals for Commission action. USTelecom also discussed the importance of overall reform of the inter-carrier compensation regime.

Pursuant to Commission rules, please include a copy of this filing in the above-referenced dockets.

Sincerely,

Glenn Reynolds
